

Dignity in Care

Aims and Objectives:

- Staff are aware of how service users feel when they are not treated with dignity and respect
- Staff know what constitutes best practice when providing services with dignity and respect and ensure they employ these practices
- Staff understands the reasons why unacceptable staff attitudes and practices must be replaced where they exist

Course Duration: 3 Hours

Assessment Criteria: Workbook and informal assessment

This short course is for health and social care professionals, and all people who are involved in caring for older people.
